

## NEW 2.8" Indoor/Outdoor Recessed LED Light 2800K 85 CRI Dimmable LED

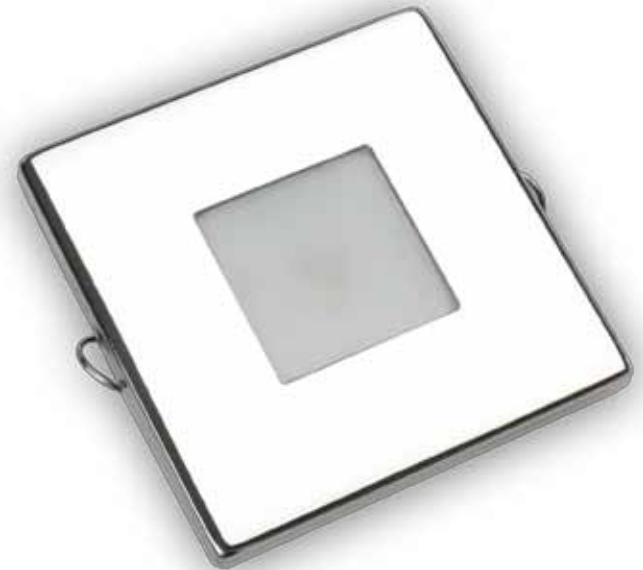

Elegant polished, brushed, or white 316 stainless trim with frosted Lens make this light the perfect choice. Choose either two screw mounting or Stainless Spring Clips. Digitally dimmable design means you will not need additional circuitry to adjust to just the right output. Reverse polarity protection.

Soft 2800K warm white Hi CRI LED light enhances the beauty of your surroundings.

Drop in for the 25W halogen recessed lights

**Requires only 2.16" hole**  
**Spring or Screw Mount**  
**IP65 for Indoor or Outdoor Use**
